Accounting & Finance BA (Hons)

What makes Accounting & Finance at Worcester special?

Build your portfolio for a rewarding career in accounting, banking, finance, insurance, or international trade with this degree designed for maximum exemptions from professional examinations (including ACCA, ICAEW, CIMA & CIPFA) and Associate Membership of the IFA.

You'll be supported by regular coaching, and our network of academic staff and highly respected financial professionals. You'll actively engage with the leading professional bodies as you position yourself to enter this highly influential and rewarding sector.

With its strong focus on contemporary issues (such as globalisation, governance and business sustainability), this degree will signal that you are a highly analytical, numerate and commercially driven graduate. You will be able to demonstrate the knowledge and skills valued by employers and real-world experience through applied projects and placements. Our graduates have secured jobs with companies such as BDO LLP, Ernst & Young LLP, KPMG, NFU Mutual, Lloyd's Bank and PwC.

There will be a charge for membership of professional bodies
