Recognition of Prior Learning

The MBA in Executive Leadership & Management is a powerful postgraduate programme comprising bite-size packages of learning designed to deliver individual and business impact.

The programme is open to Business Owners, Chief Executives, Directors, Senior and Middle Managers, namely those with leadership responsibility and who are ready to explore their capability depth. The programme is designed to minimise disruption in busy working lives.

**Course Content and Modules**

Please note that all modules are mandatory, and subject to change.

Year 1, Semester 1	
Sustainability and Ethical Business Practices	Sustainable Marketing Positioning
Year 1, Semester 2	
Responsible Leadership and Change Management	Fundamentals of Finance for Sustainable Business
Year 2, Semester 1	
Digital Transformation and Data-Driven Decision Making for Sustainable Business	Innovation and Design for a Better World
Year 2, Semester 2	
Leading Successful Projects	Coaching and Mentoring
Year 3, Semester 1	
Insight and Investigation	Consultancy Project

**Assessment**

Each module has one or more formal or 'summative' assessments which are graded and count towards the overall module grade. Assessment methods include one written examination and a range of coursework assessments such as reports, digital portfolios, presentations and a final year independent study consultancy project.

**Teaching**

You are taught through a combination of interactive workshops, lectures, seminars, fieldwork, practical activities etc. Interactive workshops take a variety of formats and are intended to enable the application of learning through discussion and small group activities.

Each module will have an associated pre-read/material (this could be video material etc.) and students will be expected to complete the pre-work so that this can be built on in the face-to-face taught workshops.

**Key features**

- Designed to minimise disruption to busy working lives.
- Learn with, and from, a group of experienced and talented professionals.
- Postgraduate loans may be available.
